--

Both new and pre-owned boats for sale are welcome in our Commercial Boat Area on Piers L and M in Marina C. New boat dealers should contact the Harbour Master Office for pricing. Pre-owned boats from either dealers or private owners are offered a monthly rate based upon 1/12th of the published Annual Rate appropriate to the size of boat. Only pre-owned boats that are placed or relocated to our Commercial Boat Area will be eligible for this rate and 'For Sale' signs will only be allowed in this area within Porto Arabia Marina. For pre-owned boats in this category, we require an initial three (3) month non-refundable payment by check and a credit card on file for monthly debit thereafter.
